## Rethink Business checklist Construction + Demolition sector

Please indicate which sustainability actions you are currently taking at your business. Measures **highlighted in red** are required for **Rethink Certified** recognition, if applicable. Remaining measures are elective measures. Businesses must also comply with a minimum of 50% of all applicable elective measures for recognition.

Once completed, a **Rethink coordinator** will review your checklist, answer questions, and schedule an onsite visit to walk through your business. Please be prepared to show evidence or documentation for all practices.
